Good morning Joe,

My name is Alex Quiles a graduate student at William Paterson University in Wayne. For one of my classes, a group of students & I are working on a project regarding the Ringwood Mines & Landfills. Our project is focusing solely on alternative to provide improved and holistic solutions to the sites and we were hoping to gain some additional insight into the projects current standings. If there's any additional information that can be shared with us or if you had some time to answer additional questions, please let me know. I look forward to hearing back from you. Thank you for your time.

-Respectfully sent,

Alex Quiles
